

Your Red Box Appeal Activity Sheet

Today a Red Box visitor has come to church to talk about the Mill Hill Missionaries and the Pope's charity, Missio. They will ask parishioners to pray for and share with members of our global Church family who live in places of poverty or conflict.

All these words help us learn more about the Mill Hill Missionaries and the charity Missio, and how they help us to stand together as sisters and brothers in God's global family.

You can see that the first box contains the word 'Jesus'. This helps us understand that sharing the love and message of Jesus with everyone, everywhere, is the first thing Mill Hill Missionaries and Missio aim to do. It's also the instruction Jesus gave to his followers, as you can see in this line from St Mark's Gospel...

You'll need some of these words to fill in the gaps of St Mark's Gospel.

And _ _ _ _ _ said to them, "Go out to the whole _ _ _ _ _ and proclaim the
_ _ _ _ _ to all creation."

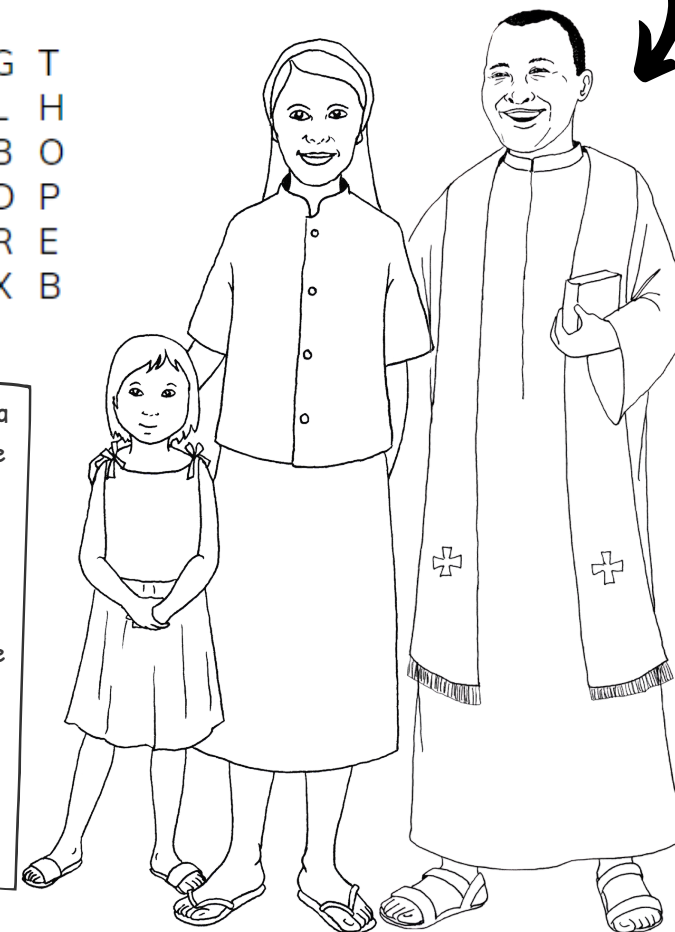

The Gospel of Mark 16:15

One of the ways Missio helps others is through Mill Hill Missionaries, like Fr Henry. Fr Henry is pictured next to Sr Eulie, a Missionary Sister. Missionaries are people who leave their home and family to share the love and message of Jesus around the world; often in places of great poverty and hardship. Missionaries remind us that we are all part of God's family and that we should pray for, and share with each other, just as we do with our families at home. Through our prayers and donations, we can make sure all God's children have the things they (and we) need to stay healthy and happy. Some of these things are listed below; try to find them in the word search.

We are all members of God's family, wherever we live in the world. Jesus asks us to love, pray for, and share with each other; just as we would with our families at home. Then everyone, everywhere, might know that God loves all His children. This is our mission; our special job.

Colour in the pictures below, then draw a picture of yourself alongside Jesus.
